By LEWIS GULICK

UNITED NATIONS, N.Y. (AP) — Secretary of State Dean Rusk breakfasted with Britain's Foreign Secretary Lord Home today and conferred on U.N. matters.

Aides said the two paid special attention to the colonialist issue, which is prominent in this session of the General Assembly.

They did not discuss East-West affairs or the plan for an allied airborne nuclear force, it was stated. These items are ticketed for later talks. The two join Soviet Foreign Minister Andrei A. Gromyko tonight at a dinner being given by U.N. Secretary General U Thant.

U.S. sources said Rusk may explore a considerable variety of U.S.-Soviet projects, ranging from a consular agreement to cooperating in outer space.

This week's talks, which will include a Home-Gromyko lunch Tuesday, were about all that emerged from a meeting of the three ministers Saturday.

The 2½-hour parley—first high-level East-West session since the Aug. 5 signing of the limited nuclear test-ban treaty—was described as cordial but unproductive of any agreement of substance.

Gromyko was said to have talked about general, complete disarmament philosophically without giving enough details on the Soviet proposal for an exchange of observers for the Western ministers to judge whether it would be acceptable. The observers would guard against surprise attack.

For Rusk and Home, it appeared just as well that Gromyko did not press another Soviet proposal for a nonaggression pact between the NATO and Warsaw military blocs. The Western allies have not agreed what to do about this plan, which is linked to the Germany-Berlin issue.

Meanwhile, U.S. sources believe there is room for secondary U.S.-Soviet deals on matters of mutual interest.

## Hiding Truth Says Committee of State Dept.

By STANLEY MEISLER

WASHINGTON (AP) — A congressional subcommittee today accused the State Department of "hiding the facts from the American public" by restricting newsmen in South Viet Nam.

The criticism came from the House subcommittee on information, headed by Rep. John E. Moss, D-Calif.

"In recent weeks," a report by the subcommittee said, "the American public has been surprised by developments in Viet Nam—developments which have been many months in the making."

The report said "the restrictive U.S. press policy in Viet Nam... unquestionably contributed to the lack of information about conditions in Viet Nam which created an international crisis."

"Instead of hiding the facts from the American public," the subcommittee concluded, "The State Department should have done everything possible to expose the true situation to full view."

The subcommittee directed most of its criticism at a cable prepared by Carl T. Rowan, now ambassador to Finland, and sent over the signature of Secretary of State Dean Rusk to the U.S. Embassy in Saigon early in 1962.

## Escapees Are Caught by State Police

LITTLE ROCK (AP) — State Police and Pulaski County Sheriff's deputies caught two men wanted for escaping from county jail in Wichita, Kan., in the west part of Pulaski County over the weekend.

John O. Engberg, 29, and Floyd Wharton, 36, were wanted by the Federal Bureau of Investigation for unlawful flight to avoid prosecution on escape charges. The two escaped Wednesday while they were being held for trial on charges of armed robbery.

Engberg, from Missouri, was found in a ditch on Lawson Road near an abandoned truck which officers said was stolen in Oklahoma. Deputies apprehended him about midnight Saturday and launched a search for Wharton, originally of Little Rock.

State Police Sgt. W. A. Tudor, searching woods in the area with a bloodhound early Sunday, found Wharton and a 22-year-old woman identified as Ruby Studler. The woman was also originally from the Little Rock area, Tudor said.

## Selling Russia Wheat Is Up to President

By MARTHA COLE

WASHINGTON (AP) — The big question of whether to permit the sale of wheat to the Soviet Union lies in the decision basket for President Kennedy, returning to his White House desk today.

Some high officials expect him to say yes.

The Russians have made no formal request to this country. But Soviet negotiators have been talking in Ottawa of deals for American grain. One report mentioned three million tons at \$250 million.

Administration officials sounded out Congress last week on feelings about a grain deal with the Soviet Union.

## Bosch Goes Into Exile in France

SANTO DOMINGO, Dominican Republic (AP) — Ex-President Juan Bosch sailed into exile aboard a Dominican navy frigate today after charging the military coup that overthrew him was organized before his inauguration last February.

A high official source said Bosch would be landed on the French island of Guadeloupe, probably early today. With Bosch aboard the frigate Mella were his wife and Gen. Antonio Imbert Barrera, a leader of the military junta which removed the president from office Wednesday on charges he was soft on communism and his administration was chaotic.

Bosch was elected president by an overwhelming vote in the Dominican Republic's first free elections since dictator Rafael L. Trujillo took power more than 30 years ago.

Shortly before he sailed on the Mella Saturday night, the silver-haired ex-president gave a handwritten note to a friend, Miami publisher Francisco Aguirre.

In it he said: "The coup was established technically after my return from Mexico (in mid-September). The coup was organized before my inauguration last February."

Bosch said he had asked Gen. Imbert Barrera and his wife to accompany him aboard the frigate because he distrusted the navy chiefs. He said Imbert Barrera and Gen. Luis Amiana Tio, another leader of the coup, were "the only persons close to the new government that have shown courtesy to me."

Bosch's ultimate destination was not known, but Puerto Rico appeared a likely exile home. He and Puerto Rican Gov. Luis Munoz Marin were friends.

## Goldwater's Stand Unclear to Eisenhower

NEW YORK (AP) — Former President Dwight D. Eisenhower says he is "unclear" about Sen. Barry Goldwater's views. The Arizona senator replies that he can't understand it, "in view of the wide publication my views have received."

Goldwater reply was carried in today's New York Herald Tribune, which Sunday published the statement by Eisenhower.

The former president denied what he said are reports that he is "anti-Goldwater." "This is simply not true," he said.

But Eisenhower said in the copyright Herald Tribune story under his byline:

"I am unclear on precisely what Sen. Goldwater's present views are, and I think all Republicans would want to learn more about how he—and each of the other possible (presidential) candidates—would now approach the issues of 1964."

"Only when these men are on record with their current views will the party be in a position to make the most intelligent choice."

Goldwater, a leading but unannounced contender for the 1964 GOP presidential nomination, told the Herald Tribune:

"It is difficult to understand how President Eisenhower can be unclear about my position in view of the wide publication my views have received."

The senator said he and Eisenhower have had frequent communication on labor, the economy and other matters.

Goldwater, an Episcopalian, also commented regarding his Jewish ancestry.

"I would be very naive," said the senator, a wealthy Phoenix department store owner, "I thought that discrimination has disappeared in this country to the point that they would forget that I'm half Jewish."

This cable is still classified although its provisions are no longer in effect. The subcommittee, paraphrasing the language, said it contained these guidelines for handling American news correspondents in Viet Nam:

1. "News stories which criticize the President Ngo Dinh Diem government could not be 'forbidden', but they only increase the difficulties of the U.S. job."

2. "Newsmen should be advised that trifling or thoughtless criticism of the Diem government would make it difficult to maintain cooperation between the United States and Diem."

3. "Newsmen should not be transported on military activities of the type that are likely to result in undesirable stories."

viets. It is understood that there was some outspoken opposition. However, it is reported that the officials considered "the burden of congressional sentiment to be in favor of it."

The government departments involved are expected to recommend a policy change to permit the grain sale when they meet with the President, probably Tuesday.

Secretary of State Dean Rusk told newsmen in Cleveland, Ohio, Sunday night that the question would be resolved in a few days. He said any proposal to sell wheat to the Soviet Union will include a provision forbidding its resale to Cuba.

Canada recently sold some \$500 million worth of wheat to the Soviet Union.

## Catholic Family of Year Named

HOT SPRINGS, Ark. (AP)—The family of Mrs. D. J. Cia of Little Rock was named Arkansas Catholic family of the year Sunday by the Little Rock Diocesan Council of Catholic Women in its annual meeting at St. John's Church.

Mrs. Cia is the widow of Little Rock Fire Captain Johnny Cia who was killed in a traffic accident while his truck was on its way to a fire in January 1961.

The Cia family will compete for national Catholic family of the year in a contest sponsored by the National Council of Catholic Welfare.

Mrs. Mary Perdock of Forrest City was elected president of the diocesan council. Mrs. Frank Borden of El Dorado was elected first vice president.

## Rockefeller Will Match State Money

LITTLE ROCK (AP)—Winthrop Rockefeller said Saturday he would be willing to put up a dollar for every two dollars Arkansas contributed toward a 7500,000 exhibit for the 1964-65 World's Fair at New York.

Rockefeller, in a prepared release, also attacked Gov. Orval E. Faubus saying, "I was somewhat saddened to hear that Gov. Faubus feels that there is not much interest in our participating in it (the exhibit)."

Rockefeller said remarks made by Faubus left the impression that there is not enough state pride to generate support to pay for an Arkansas exhibit.

He said Faubus had earmarked limited funds from the Publicity and Parks Commission and the Arkansas Industrial Development Commission for the exhibit and blasted the governor for giving less than enthusiastic official blessing to the project.

Faubus said Sept. 16 that he would approve expenditures of \$50,000 a year by both the Publicity and Parks Commission and the AIDC.

Only the Publicity and Parks Commission has given conditional approval for funds—the expenditure of \$25,000 a year.

Rockefeller said \$500,000 would be needed if Arkansas is to present a first-class modern exhibit which will compete with the other 28 exhibiting states.

Rockefeller said the amounts authorized by the governor would not begin to underwrite the kind of exhibit needed to project Arkansas as it is today.

"The exhibit can become a reality only if the people of Arkansas join in the cause to get it built," Rockefeller said.

"To show you further how much faith I have in Arkansas today and in its future, I make this appeal. For every two dollars you and your friends contribute to the exhibit, I will match with one dollar," the wealthy Arkansas rancher continued.

He said any money left over from the project would go to scholarship programs in the state.

If Arkansas contribute enough to finance the project, Rockefeller would donate \$166,666.

Rockefeller said that the project should get underway before October frost hits the fair site. He added that the decision on whether the exhibit could be financed would have to be made in the coming week.

He asked Arkansans to write him personally at Post Office Box 3542 in Little Rock to let him know how they felt about the exhibit.

## Verdict for Damages is Reversed

By JOHN R. STARR

LITTLE ROCK (AP)—The Arkansas Supreme Court reversed a Jackson County damage verdict today on grounds that profits from a business located off the property cannot properly be used in figuring value of land taken in a Highway Department condemnation proceeding.

The high court ordered Jackson Circuit Court to take another look at the case in which Charles H. Wilms was awarded \$19,500 in damages for two tracts of land taken for right of way.

The trial court permitted witnesses for Wilms to testify about profits he made from a liquor store and a beer parlor located on one tract of the land.

The Supreme Court said it has held repeatedly that "profits cannot be used as a criterion for value."

The Supreme Court reversed and dismissed two cases from Washington Circuit Court.

In one, Newman Brothers Inc., an Ohio firm, was awarded a \$1,200 judgment against the U. S. Fidelity and Guaranty Co. because Newman was not paid for some material which went into a University of Arkansas dormitory.

The Supreme Court held that B. Sweetzer Construction Co., for whom U. S. Fidelity made a bond, had paid for the material and was not responsible for the fact that Newman had not received its money from a middle man.

In the other case, the Supreme Court held that Adrian and Marie Fletcher were not entitled to the \$2,500 damages given them by the lower court because a construction job by the Ben M. Hogan Co. had caused a drainage problem on two acres of their land.

The Supreme Court said that Hogan had simply followed Highway Department plans in constructing the project and was not guilty of negligence although the Fletchers had been damaged to some extent.

The court affirmed seven-year sentences given Deltha Ann Graves and Dan Parham in Crittenden Circuit Court for the robbery of Leonard D. Bronk. It also affirmed a U. S. Chancery Court holding that W. S. Anderson could not be held liable for a note on which he had made a qualified endorsement. Quachia Industries Inc. had sued Anderson contending he had made an unqualified endorsement.

## News of the Day From Washington

By THE ASSOCIATED PRESS

WASHINGTON (AP) — In the news from Washington: NEGRO VOTING: Negroes do not vote in a bloc, says one of their leaders, Roy Wilkins.

"They'll vote for anybody who will treat them right," Wilkins said Sunday, and added that members of this race favor re-election of President Kennedy because he "is doing something for them."

Wilkins, executive secretary of the National Association for the

Advancement of Colored People, was interviewed on a non-network television program, "Youth Wants to Know."

Of Sen. Barry Goldwater, a possible Republican presidential candidate, Wilkins said there would be "great apprehension" among Negroes if the Arizona brought into the White House certain views expressed in his book, "The Conscience of a Conservative."

Wilkins attributed to Goldwater the view that "states' rights should take precedence over federal action, and that the civil rights question should be left to the states."

## Judy Garland Show Proves Entertaining

By CYNTHIA LOWRY  
AP Television-Radio Writer  
NEW YORK (AP)—The long-awaited and much-discussed "Judy Garland Show" arrived on CBS Sunday night and proved an entertaining, if extremely uneven, variety hour.

The entertainment was largely due to the debut of the star in weekly television. She seemed nervous, but in a merry mood. The problem areas were concentrated in what the producer designated as informal ad lib conversation. She was never nervous when singing but making television small talk is a real specialty and Miss Garland isn't Jack Paar—yet.

Generally, the show was gay, good-humored and had lots of tuneful singing and dancing. Guest star Donald O'Connor provided some first-rate support. Jerry Van Dyke helped out with the comedy, including an amusing but too-long monologue.

But the show was Miss Garland, slim and svelte. Even with the rough spots it was fascinating to watch. Earlier in the evening a perfectly delightful little comedy series had its CBS debut. Called "My Favorite Martian," it is a sly and witty fairy story about a Martian scientist, studying this primitive planet who crash-lands his space ship in Southern California.

It would be pleasant to report that Phil Silvers lit up the living room screen with his new CBS series as he did in the good old "Bilko" days. Truth to tell, Silvers' new version of the fast-talking lovable con man lacks something. Phil plays a brash smart-alec factory foreman and somehow it's not the same at all. Friday night's "Great Adventure" series also had a CBS premiere. It was a rather plodding, labored story about a real, historic incident when a Confederate submarine—a primitive craft—sank a Yankee sailing ship. All the crew lost their lives in the exploit. Most of the drama focused on the problems the captain had in getting a chance at the enemy and concentrated on scenes of men suffering in the sub's airless innards. It was rather thick going for the viewers, too.

## Prosperity, Peace Theme of Kennedy

By FRANK CORMIER  
WASHINGTON (AP)—President Kennedy is approaching the 1964 presidential campaign with the apparent hope of borrowing a theme from former President Dwight D. Eisenhower: Peace and prosperity.

Kennedy test-marketed the peace argument during the Western tour he just completed. He obviously was pleased with the result, particularly because he drew warm response in the Rocky Mountain area where many voters favor the conservative policies of Sen. Barry Goldwater, Arizona Republican.

Repeatedly, Kennedy was interrupted by applause as he talked up the limited nuclear test-ban treaty, foreign aid and global involvement—all of which he credited with making brighter the prospects for peace.

Unquestionably, this choice of subjects was to determine audience reaction. But these topics also concern Kennedy more deeply than the conservation matters that were the announced focal point of his trip.

Prosperity also figured in Kennedy's speeches—usually in connection with his argument that an \$11-billion tax cut is vitally needed as anti-recession insurance. If a tax cut is enacted before the election, and a recession is avoided, prosperity certainly will be one of Kennedy's major campaign claims.

Thus, the Democratic presidential candidate next year may employ substantially the same arguments that Eisenhower used successfully against Democrat Adlai E. Stevenson in 1956.

On the second of five days of speechmaking, Kennedy began to swing away from conservation and emphasize his contentions that, by shouldering international burdens, the United States is repulsing "the Communist offensive."

This argument was voiced in Montana, at Billings and Great Falls, before Kennedy made it the theme of the trip's major address—an appearance in Salt Lake City's Mormon Tabernacle. In Salt Lake City, Kennedy twice was interrupted by applause as he saluted the limited nuclear test-ban treaty which Goldwater has opposed. Cheers again halted Kennedy when he defended foreign aid.

The trip was just plodding along until Kennedy hit upon the peace question in Montana. Starting there, he seemed much more enthusiastic. He spent increasing amounts of time shaking hands with those who greeted him at airports, auditoriums and stadiums.

If the trip was a dry run for the 1964 campaign, as seems apparent, Kennedy undoubtedly views it as a success.

WRONG ON RIGHT FOR WIFE TO WORK

Dear Helen: What is your opinion of married women who take jobs and leave their children to the care of baby sitters? Don't you think that a mother should realize her duty lies at home with her children? No baby sitter is equal to teaching youngsters what they should learn about life. When wives work, some husbands...

## Browder's Opinion on Red Break

By CHARLES EST

YONKERS, N.Y. (AP)—Two FBI agents called on a gray-haired, grandfatherly man recently, a trim little man few persons would notice in casual passing. For two hours they explored his opinions on the background and importance of the Red Chinese Soviet conflict. They took with them his written analysis of the ideological struggle between Red China and The Soviet Union.

It was the first friendly contact I ever had with the FBI, said Earl Browder, 72, whose contacts with the FBI have been many.

To millions of Americans, Browder's name is synonymous with the U. S. Communist party. He joined the party shortly after its formation and guided it for 15 years through the peak of its popularity in this country, the 1930's. The late Soviet Premier Josef Stalin ordered Browder's ouster as general secretary, the position of power, in 1945 for "revisionism." Expulsion from the party followed.

Revisionism—or "Browderism," as it came to be known internally—consisted of advocating coexistence. Browder argued that neither armed conflict nor cold war was inevitable. He rejected the basic dogma that Communism must destroy capitalism before the world can know peace and social progress.

"Khrushchev occupies today a position on the big issues in the world that I occupied in 1945," Browder said in an interview.

"When the Chinese accuse him of revisionism they are merely echoing and elaborating the arguments used against me when I was thrown out of the movement. They did me a favor when they kicked me out. I have no hard feelings at all. I deliberately provoked it."

Now a caustic critic of communism, Browder characterized the party in the U.S. as a weak nuisance to America.

Three times Browder went to jail—twice for World War I draft charges and once for passport fraud, a four-year term which President Franklin D. Roosevelt commuted after 14 months in 1942.

"I have no regrets about my past," said Browder. "It is a waste of time to think about it in terms of 'what if.'"

"I think I had a useful life and certainly a very interesting one. It didn't prevent my sons from finding their natural careers in science in American life, although it did give them a lot of hurdles to get over."

Browder's three sons, all university mathematicians holding doctorates, visit him regularly at the apartment he has occupied for 27 years in Yonkers, a community just north of New York City.

Browder contended that although he wholeheartedly embraced Communist dogma in the 1920s, he devoted his energy to labor and social reforms.

"I think on the whole that the party under my leadership played a very constructive role," Browder said, explaining that he never felt subversive or disloyal.

Viewing communism as a hopeless cause in the industrialized Western nations, Browder said, "I think America is moving in the right direction. We have a decent society in this country. Poverty is a peripheral problem now which can be overcome by a more thorough development of the American economy, just as the Negro problem depends on the economy for its solution."

eign aid.

The trip was just plodding along until Kennedy hit upon the peace question in Montana. Starting there, he seemed much more enthusiastic. He spent increasing amounts of time shaking hands with those who greeted him at airports, auditoriums and stadiums. If the trip was a dry run for the 1964 campaign, as seems apparent, Kennedy undoubtedly views it as a success.

children." Many outstanding women have successfully combined marriage and career. To name a few: Mrs. Honaid Tree, top American woman at the United Nations, and Dr. Millicent McIntosh, former president of Barnard College.  
Mrs. Tree is our beautiful, intelligent and diplomatic representative on the Human Rights Commission—a tough job, yet she manages ably to mother a 13-year-old daughter. Dr. McIntosh, a brilliant educator, has reared a large family. Countless other women have accomplished just as much.  
The one common characteristic they all possess is intelligence, plus the know how to cope with their special problems. But not every woman is cut out to do this and its a smart cat who is aware of her own limitations and the limitations of her husband. It takes a very secure, well-adjusted husband to share same and fortune with his spouse.  
But what about the thousands of men who don't earn enough to support their families? Every year their number increases. I say, more power to the wife who is able to help out financially.  
Dear Helen: We are three 13-year-old girls who read your column faithfully. Our problem is to get boys to like us. We are about five feet tall, have light brown hair and fairly good figures for our age. Please don't say we are too young because we have our parents permission to date.

Three Lonely Hearts.  
Dear Girls: Be yourselves. You may not be too young, but the boys your age probably are. Give them a little more time to catch up. And when they do you'll have exactly the opposite problem from the one which plagues you now. Read my leaflet, "What Age for Dating." A stamped, self-addressed envelope will bring it to you.

## Broyles Sees More of Same From Froggies

By WICK TEMPLE

LITTLE ROCK (AP) — Arkansas Coach Frank Broyles promises that his Razorbacks will bounce back from last Saturday night's 7-6 loss to Missouri in time for their Southwest Conference opener with Texas Christian in Fayetteville Saturday afternoon.

"We're going to be facing the same kind of team and we're probably going to be the underdog," Broyles said. "We've just got to grab hold of some grass and keep from being pushed back."

He said Texas Christian's 13-0 victory over Florida State Saturday night will give Coach Abe

Martin's Horned Frogs plenty of momentum for the SWC opener. "They're not interested in throwing this year except to keep you out of there" with hard running, Broyles said.

Broyles said the Hogs made too many mistakes in the first half against Missouri and were simply beaten by the aroused Tigers in the second half.

Quarterback Billy Gray drove the Hogs to a quick first quarter touchdown, scored on a 26-yard pass from Gray to halfback Jim Lindsey. But Arkansas didn't have the scoring power to cash in on two other offensive moves in the first half.

Missouri Coach Dan Devine whipped his Tigers into a frenzy at halftime and they stopped the Hogs in their tracks in the second half, allowing Arkansas only 39 yards of total offense after the intermission.

Broyles said Missouri played a perfect game and that sophomore quarterback Gary Lane made the

difference. Lane moved the Tigers 70 yards for a touchdown early in the third quarter and Bill Leistrick kicked the big extra point. Lane passed 25 yards to end Bud Abell to set up the touchdown at the one and, after a yard loss, fullback Gus Otto charged in.

Broyles said Arkansas lost its momentum after being thwarted at three points in the first half. The four:

1. After Daryl Krugman's punt to the Arkansas 34, the Hogs were penalized 15 yards for clipping, ruining their field position.

2. After Arkansas had moved out to its 49, a five-yard penalty set the Hogs back and forced a desperation pass that was intercepted.

3. After Arkansas moved 53 yards to the Tiger 27 in the second period, Gray was caught for a 14-yard loss by Missouri end George Seals to kill the drive.

Arkansas lost 39 yards rushing, 28 by Gray. Broyles laid this to expert defensive end work by Missouri and blitz rushing on defense.

"Everybody on our team was disheartened," Broyles said. "But the fact that we played a team of this caliber will help us get ready for TCU. But we've still got to improve before we can compete with TCU and the other Southwest Conference teams."

Broyles praised junior linebacker Ronnie Caveness for his best game. Caveness was credited with five tackles and 18 assists.

"Missouri deserved to win," Broyles said. The Tiger line gave Gray and soph quarterback Jon Brittenum no room for passing or running. The big men in the Tiger defense were center Gene Oliver and guards Ron Lurie and Ralph Kubinski.

## Series Opener Wed. to Pair Ford, Koufax

By JOE REICHLER

Associated Press Sports Writer

NEW YORK (AP) — If there is such a thing as a key man in a World Series, Elston Howard, the durable New York catcher, could be the man in the upcoming post-season struggle between the Yankees and Los Angeles Dodgers.

Attention will be focused on Howard right from the start. Elie, along with Mickey Mantle, represents the main right-handed power against the Dodgers' left-handed pitching. This series shapes up as one southpaw duel after another.

Two of baseball's very best left-handers, the Yankees' Whitey Ford and the Dodgers' Sandy Koufax, will start in Wednesday's opener at Yankee Stadium. Another southpaw duel between Dodger veteran Johnny Podres and Yankee youngster Al Downing is slated for the second game.

The expected 70,000 opening game customers will be watching Howard intently the moment one of the Dodgers' speed demons, notably Maury Wills and Willie Davis, reach base. The piffling pair have 65 of the team's major league leading total of 123 stolen bases. The Yankees have stolen only 41 bases.

Howard knows all about the Dodger speedsters but if he is concerned he does not show it.

"They're good," he admitted today, "and I'm not making the mistake of underestimating them. But we have some pretty good base stealers in the American League, too, and they don't give me too much trouble."

Baseball people say, however, that runners steal bases on the pitcher, not the catcher. If so, the Dodger daredevils will find a real toughie in Ford, who can handle base runners as well as any pitcher in baseball. Downing and right-hander Jim Bouton, Manager Ralph Houk's other Series starters, are better than average in keeping runners glued to the bases.

The Dodgers may be without the services of their young third baseman, Ken McMullen, for the series' opener. The 21-year-old rookie pulled a hamstring in his left leg last Thursday. If McMullen cannot play, Alston will move Jim Gilliam, his veteran all-purpose infielder, to third and play Dick Trucelli, another youngster at second.

Regardless of the winner, the participants will be well rewarded. It figures to be the richest World Series of them all with the players' pool amounting to over a million dollars for the first time.

## New Way Grades Soybeans Fast

WASHINGTON (AP)—The Agriculture Department reports it has perfected a fast, easy way to use oil content in determining the grade of soybeans.

Although soybeans are America's major oilseed crop, oil content is not now used in present grade standards. Steps may be taken later to use it.

It is true that higher grades of soybeans usually contain more oil than lower grades but there is considerable variation in grades. As a result, some growers are underpaid for their soybeans of high oil content while others are overpaid for beans of lower oil content, the department said.

The new oil content test method requires only 10 minutes to make and is much cheaper than the present grading methods. The new method has been used in more than 900 tests made during the past 3 years in Illinois, Minnesota and Mississippi.

### Okla. Beats Nation's Top Rated Eleven

By BOB GREEN  
Associated Press Sports Writer

"We still have to improve in a lot of ways," said Oklahoma Coach Bud Wilkinson.

Maybe so, but knocking off the nation's top-ranked college football team should do for a start.

"We've still got eight games to go," reminded the Sooners coach.

Maybe so, but seven of them are with Big Eight opposition, against which Wilkinson has a 93-2 lifetime mark.

It took Wilkinson about five minutes to overcome his elation after Oklahoma's 17-12 upset of top-ranked and defending national champion Southern California in Los Angeles Saturday, regain his usual air of caution, and begin pointing out Sooners shortcomings.

The victory, which snapped a string of 12 victories for Rose Bowl champion Southern Cal, was the big one on the Oklahoma comeback that started with last year's 8-2 performance. It made Oklahoma, ranked third last week, a prime candidate to succeed the Trojans in the No. 1 spot.

Wilkinson now has a week off to prepare his swarming Sooners for a date with old foe Texas, ranked No. 4 nationally before Saturday's 49-7 romp over Texas Tech. The rest of the Oklahoma schedule is against conference competition.

A fine ball control performance, engineered by quarterback Bobby Page, and two clutch runs by Joe Don Looney were the Oklahoma keys. Looney scored one touchdown and set up another, each with a 19-yard gain on a complex reverse play.

Arkansas, No. 8, was the only other ranked team to fall, bowing before Missouri 7-6 when Missouri quarterback Gar Lane put together a 70-yard third-period scoring drive.

Second-ranked Alabama made its bid for the No. 1 position with a 28-0 rout of winless Tulane and No. 5 Navy beat William and Mary by the same score. Middle quarterback Roger Staubach had 297 yards rushing and passing for an Academy record.

Wisconsin and Northwestern, a pair of Big Ten powers ranked sixth and seventh in the nation, respectively, had to come from behind to gain their second straight victories. Wisconsin edged Notre Dame 14-9 and Northwestern lost the ball six times on fumbles and interceptions but managed to take Indiana 31-21.

Billy Lothridge threw three touchdown passes, kicked two field goals and three extra points in leading No. 9 Georgia Tech to a 27-0 decision over Clemson. Pittsburgh, sparked by the all-around play of Fred Mazurek, beat stubborn Washington 13-6 to uphold its No. 10 ranking.

### Bobcats Are Rated 11th This Week

By THE ASSOCIATED PRESS

Pine Bluff broke Little Rock Hall's two-week grip on first place, and garnered top honors in this week's Associated Press Arkansas high school football poll.

The Zebras were impressive in their come-from-behind 7-6 triumph against rugged Fort Smith last Friday night in Pine Bluff.

Little Rock Hall, which rode at the top of the poll the first two times around, whipped North Little Rock handily—on the scoreboard—but was severely beaten in the statistical department.

The Wildcats ground out almost three times as much total offense as Hall managed.

Pine Bluff collared six of the nine first place votes, with Hall getting the others. Fort Smith was a solid favorite for third—impressive against Pine Bluff, even when losing.

The Grizzlies were rated no lower than third on the poll, and drew one second-place vote.

Little Rock Central was ranked fourth, Blytheville fifth, El Dorado sixth, Texarkana seventh.

Benton, tied with West Memphis last week for eighth place, gained sole possession of the spot in this week's poll. West Memphis was ninth, with North Little Rock getting the last spot.

Results of the poll, with first place votes in parentheses, and total points at right:

1. Pine Bluff (6) ..... 87
2. Little Rock Hall (3) ..... 83
3. Fort Smith ..... 73
4. Little Rock Central ..... 56
5. Blytheville ..... 49
6. El Dorado ..... 46
7. Texarkana ..... 31
8. Benton ..... 23
9. West Memphis ..... 13
10. North Little Rock ..... 14

Others receiving votes, in order: Hope, Jonesboro, Van Buren, Hot Springs.

Washington State. The Cougars, ready to try for a field goal, might have won if they had not been denied a fourth down in the confusion of the game's final seconds.

Ohio State and Air Force made big bids to gain a ranking, with Buckeye Coach Woody Hayes showing a much flashier attack in a 17-0 decision over Texas A&M. Quarterback Terry Isaacson scored four touchdowns in the Air Force's 69-0 rout of Colorado State U.

Mississippi rebounded from a scoreless tie with Memphis State with a 31-7 triumph over Kentucky.

In some other games of major interest, Kansas shut out Eastern power Syracuse 10-0, Michigan beat Southern Methodist 27-16, Michigan State whipped North Carolina 31-0, Illinois blanked California 10-0, Iowa State beat Virginia Tech 21-6, Texas Christian upset Florida State 13-0, Duke downed Virginia 23-8, Oregon blasted Stanford 36-7 and Rice took Louisiana State 31-12.

## Former Rams Doing Fine Elsewhere

By JIM BECKER  
Associated Press Sports Writer

The Los Angeles Rams are having quarterback trouble, but the ex-Rams are doing fine.

Billy Wade of the Chicago Bears and Frank Ryan of the Cleveland Browns, a pair of former Rams, both had great days Sunday, and kept their teams the only unbeaten, untied clubs in the National Football League.

Wade threw for three touchdowns and ran for another as the Bears moved their record to 3-0 and remained in sole possession of first place in the Western Conference. The Bears ruined Detroit with 28 points in the second quarter and wound up with a 37-21 victory over the Lions, now 1-2.

Ryan tormented the Rams with

two touchdown passes, while Jim Brown did the running job in a 20-6 victory. The Browns, also 3-0, are now sole holders of the Eastern Conference lead, while the Rams—who have scored only 22 points in three games—are 0-3.

Pittsburgh, saddled with a tie in its opener when an extra point try hit the goal post, moved into second place in the East with a 23-10 victory over the previously unbeaten St. Louis Cardinals: The Steelers are 2-0-1.

Another castoff quarterback, Y. A. Tittle, the old Bald Eagle of the New York Giants, returned to action and clobbered the winless Philadelphia Eagles 37-14, to run the Giants' record to 2-1.

In other games, the Green Bay Packers pulled out a wild one over the Baltimore Colts 31-20, Washington trimmed Dallas 21-17 and the Minnesota Vikings swamped the San Francisco 49ers 46-14.

In the American Football League, Houston beat Buffalo 31-20 and the New York Jets nipped

the Oakland Raiders 10-7 in Saturday night games. Sunday, San Diego belted Kansas City 24-10 to remain undefeated and Denver edged Boston 14-10.

The Bears had not scored a touchdown against Detroit in their last three games, but Wade—the league's leading passer—fixed that in a hurry with an 18-yard scoring pass to Angelo Coia midway in the first period. A fumble recovery and an interception led to two second-period scores, with Wade throwing for both, and then Richie Pettibon scored on a 66-yard interception. Wade carried over for the one in the closing seconds of the half for a 35-0 lead.

Despite a steady rain at Cleveland, Ryan completed nine of 15 passes for 152 yards as he led the way over his old team. Jim Brown ran for 95 yards in 22 tries, and now has 489 yards in 57 attempts in three games. He scored on an 18-yard run.

The Steelers, who have never

won a division title but look like contenders this year, finally got going in the last quarter, with substitute fullback Bob Ferguson pacing the offense.

Down 10-6 after three periods, the Steelers got 17 points in the final quarter with Ferguson gaining key yardage. Bill Triplett's 63-yard touchdown run on the third scrimmage play of the game stunned the Steelers. The Cards now are 2-1.

Tittle, the old 40er who missed the Steeler game last week with chest injuries, was back on target and lifted the entire Giant team with a superb performance. He completed 12 of his first 14 passes and threw to Joe Walton, Del Shofner and Joe Morrison for touchdowns. Morrison also plunged one yard and dashed 70 yards for other touchdowns.

Packer coach Vince Lombardi summed up the battle with the Colts this way: "That was no game for sane people."

The Packers, trailing 17-14, had

### Henderson, S. State Post Wins

By THE ASSOCIATED PRESS

Henderson and Southern State wrapped up last week's Arkansas Intercollegiate Conference football with victories over Ozarks and Harding College, respectively.

The Reddies overcame a tough Ozarks defense and posted a 17-0 decision and Southern State surprised Harding with a good running game for a 13-0 victory.

Jerry Freppon, who got 98 yards individual rushing against Harding and over 100 yards the week before, was the mainstay of the Mulerider attack.

He rambled for both Southern State scores—going eight and four yards for the touchdowns. The first one was set up by a 52-yard punt return by Charles Causey. The second capped a 63-yard drive.

Fumbles and interceptions kept Harding's offense scrambling.

Tough defense kept Ozarks in the game against Henderson, but the Mountaineers couldn't hold on to Troy Tyson long enough.

He booted a 32-yard field goal for the Reddies in the first quarter, rammed three yards for a third quarter touchdown and kicked the extra point.

Tom Dick Coyle dived one yard for the other Henderson touchdown and Tyson converted in the fourth quarter.

This week's schedule pairs AIC powerhouse Arkansas A&M with Mississippi College, Arkansas Tech with Southern State, Ouachita with Harding, Henderson with Memphis Navy and Ozarks with State Teachers.

### MacNamara Postpones Departure

By ROY ESSOYAN

SAIGON, South Viet Nam (AP)—Secretary of Defense Robert S. McNamara today postponed his departure for Washington for 24 hours.

McNamara had planned to leave Saigon later today after a one-week inspection tour of South Viet Nam for President Kennedy.

A spokesman said the secretary was delaying his departure until Tuesday to give himself more time to work here on his top secret report for the White House.

McNamara also passed up the last battle area field trip arranged for him, a 3 1/2-hour visit today to the Communist-infested 3rd Corps area of central Viet Nam. Gen. Maxwell D. Taylor, chairman of the U.S. Joint Chiefs of Staff, made the trip.

The American visitors last week spent three days in arduous inspections of the three other corps areas.

The secretary will report to Kennedy on the progress of the war against Viet Cong guerrillas and the effect, if any, on the war of the bitter controversy between the Buddhists and President Ngo Dinh Diem's regime.

McNamara had his first meeting with President Diem Sunday, a three-hour conference. There was no indication of what was said but presumably the Buddhist controversy was a major item of discussion.

The president's controversial brother and chief adviser, Ngo Dinh Nhu, was not present at the meeting. The anti-Buddhist campaign is generally attributed to him and the United States has been putting pressure on Diem to remove him from his extremely influential spot.

### The NIGHT, The WOMAN

**THE STORY:** Blake Carden has discovered blood spots on Todd's shirt. Through glasses from shore, Blake had seen his brother and Valerie Hayward struggling on the deck of her yacht in the harbor. When he goes to the yacht, he finds Valerie dead.

**XIII**

She was lying on her back, twisted awkward at the waist; her brown bare legs drawn up as if in cramping pain. The front of her matching strapless top was covered with a scattering of dark, round spots — the same strange pattern of bloodstains he had seen on Todd's shirt.

There were several small red dots on Val's cheeks and forehead. They appeared to be the stab marks left by a needle — pointed weapon. Blake lifted one of her shoulders gently and saw more blood spots on her back, each surrounding a similar puncture. She had been struck savagely again and again, and where the weapon had not met bone it had pierced to a fatal depth.

Straightening in the ragged wind, he tried to think: No one else knew that Todd had gone out on the bay tonight. But in the grip of such murderous fury, Todd might have overlooked some sign that he had been aboard.

In the cockpit, near the binoculars, a flashlight was hanging in a clip. Blake turned the beam across the deck and across again. Nothing. Todd might have thrown the weapon overboard, or taken it away with him.

Blake stopped just inside the cabin, looking around in amazement. The cabin had been ransacked. Drawers had been pulled out and dumped on the rush carpeting. The doors of cabinets were hanging open. The face of a small built-in safe was exposed. It was locked, but the black lacquer around the combination dial was freshly scratched as if an amateurish attempt had been made to force it.

It seemed to make no sense, no sense at all. Unless — unless Todd had staged this scene in an attempt to cover himself by making it appear that Valerie had been looted and Val Hayward killed by seagoing marauders.

Blake went forward to the bar. Two highball glasses had been San Diego at Denver

It was possible that no one had heard the thunderous crash. He lifted his head, trying to believe it. The pier and the yard behind the clubhouse were as deserted as before.

He brought himself to his feet, steadying himself, and found an evenly balanced hold on the motor. Each forward step was a separate act of caution. The locker opened; the motor not hooked to its bracket but leaned in a corner; the door closed, the padlock clicked shut, and he was done.

# Hope Beats Bucks 33-14; Camera Catches 3 TD Plays

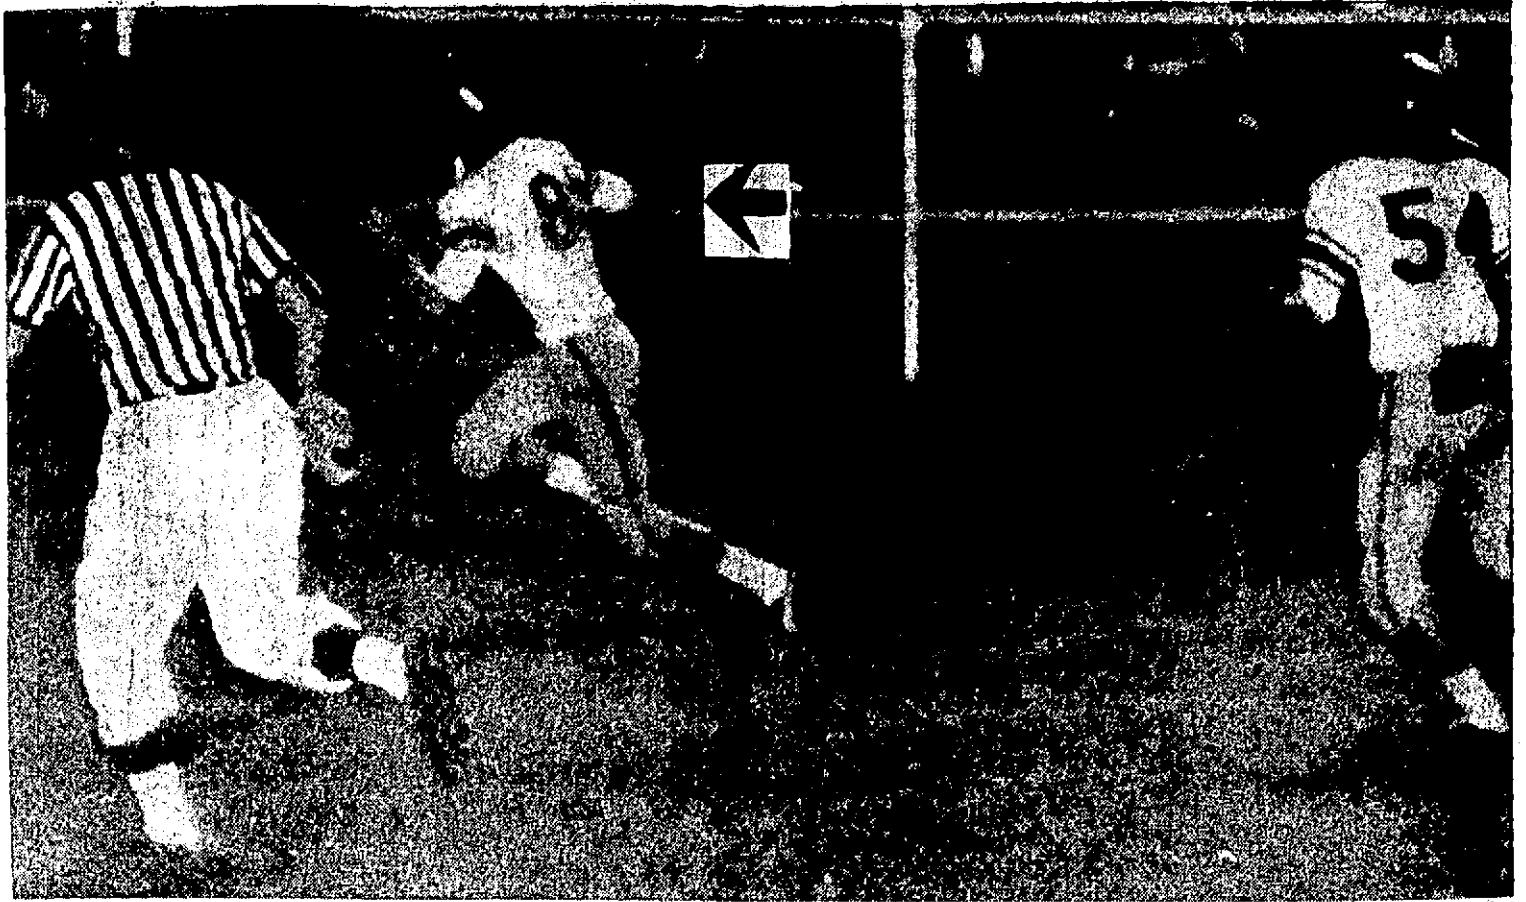

—Hope Star photos with 15-inch Schneider telephoto lens

FRIDAY WAS "DADS' NIGHT" AT HAMMONS Stadium — and the dads must have brought luck to everybody. The Bobcats beat Smackover 33-14 in the clutch game of the 4-AA Conference — and The Star's camera caught three touchdown plays and a fourth that set up a touchdown.

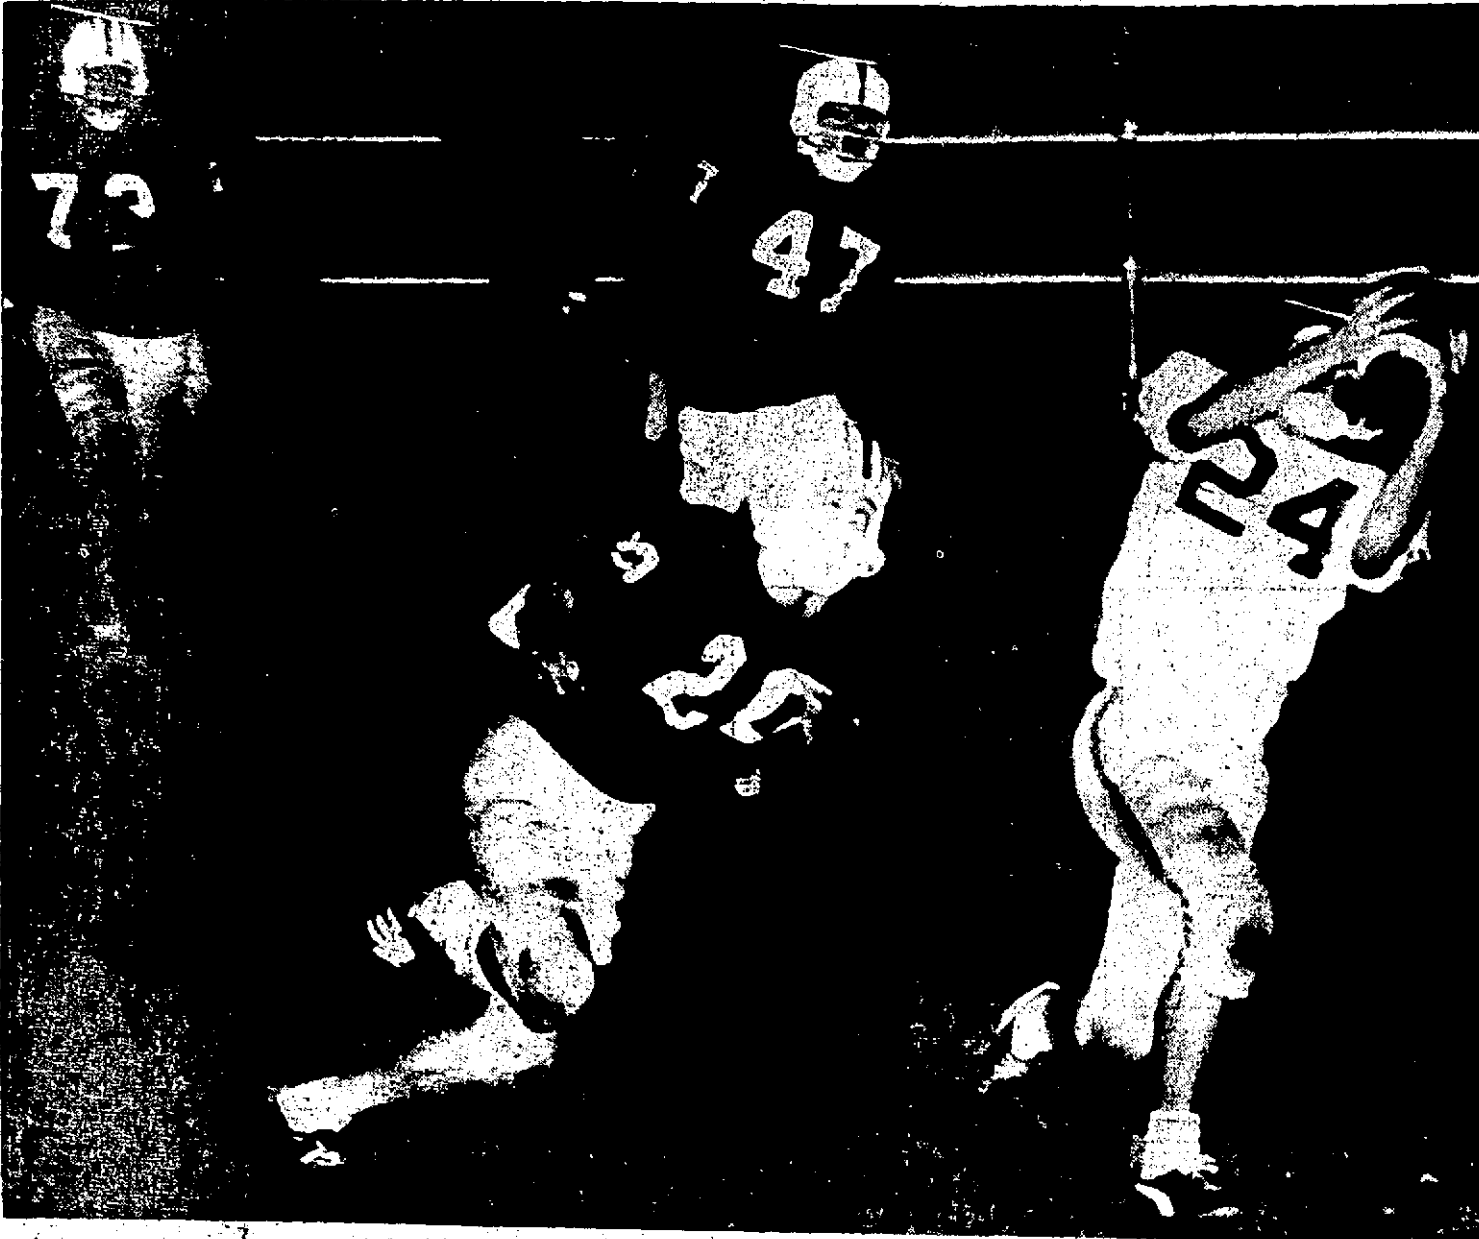

PICTURE SHOWS FRIDAY NIGHT'S LONGEST

run — In the fourth quarter Mack McLarty Hope quarterback (No. 12, arrow), took a Smackover punt on his own 10-yard stripe and raced 90 yards for a touchdown. Only man between McLarty and the south goal is his teammate, No. 25, Right Halfback Mutt Wassell.

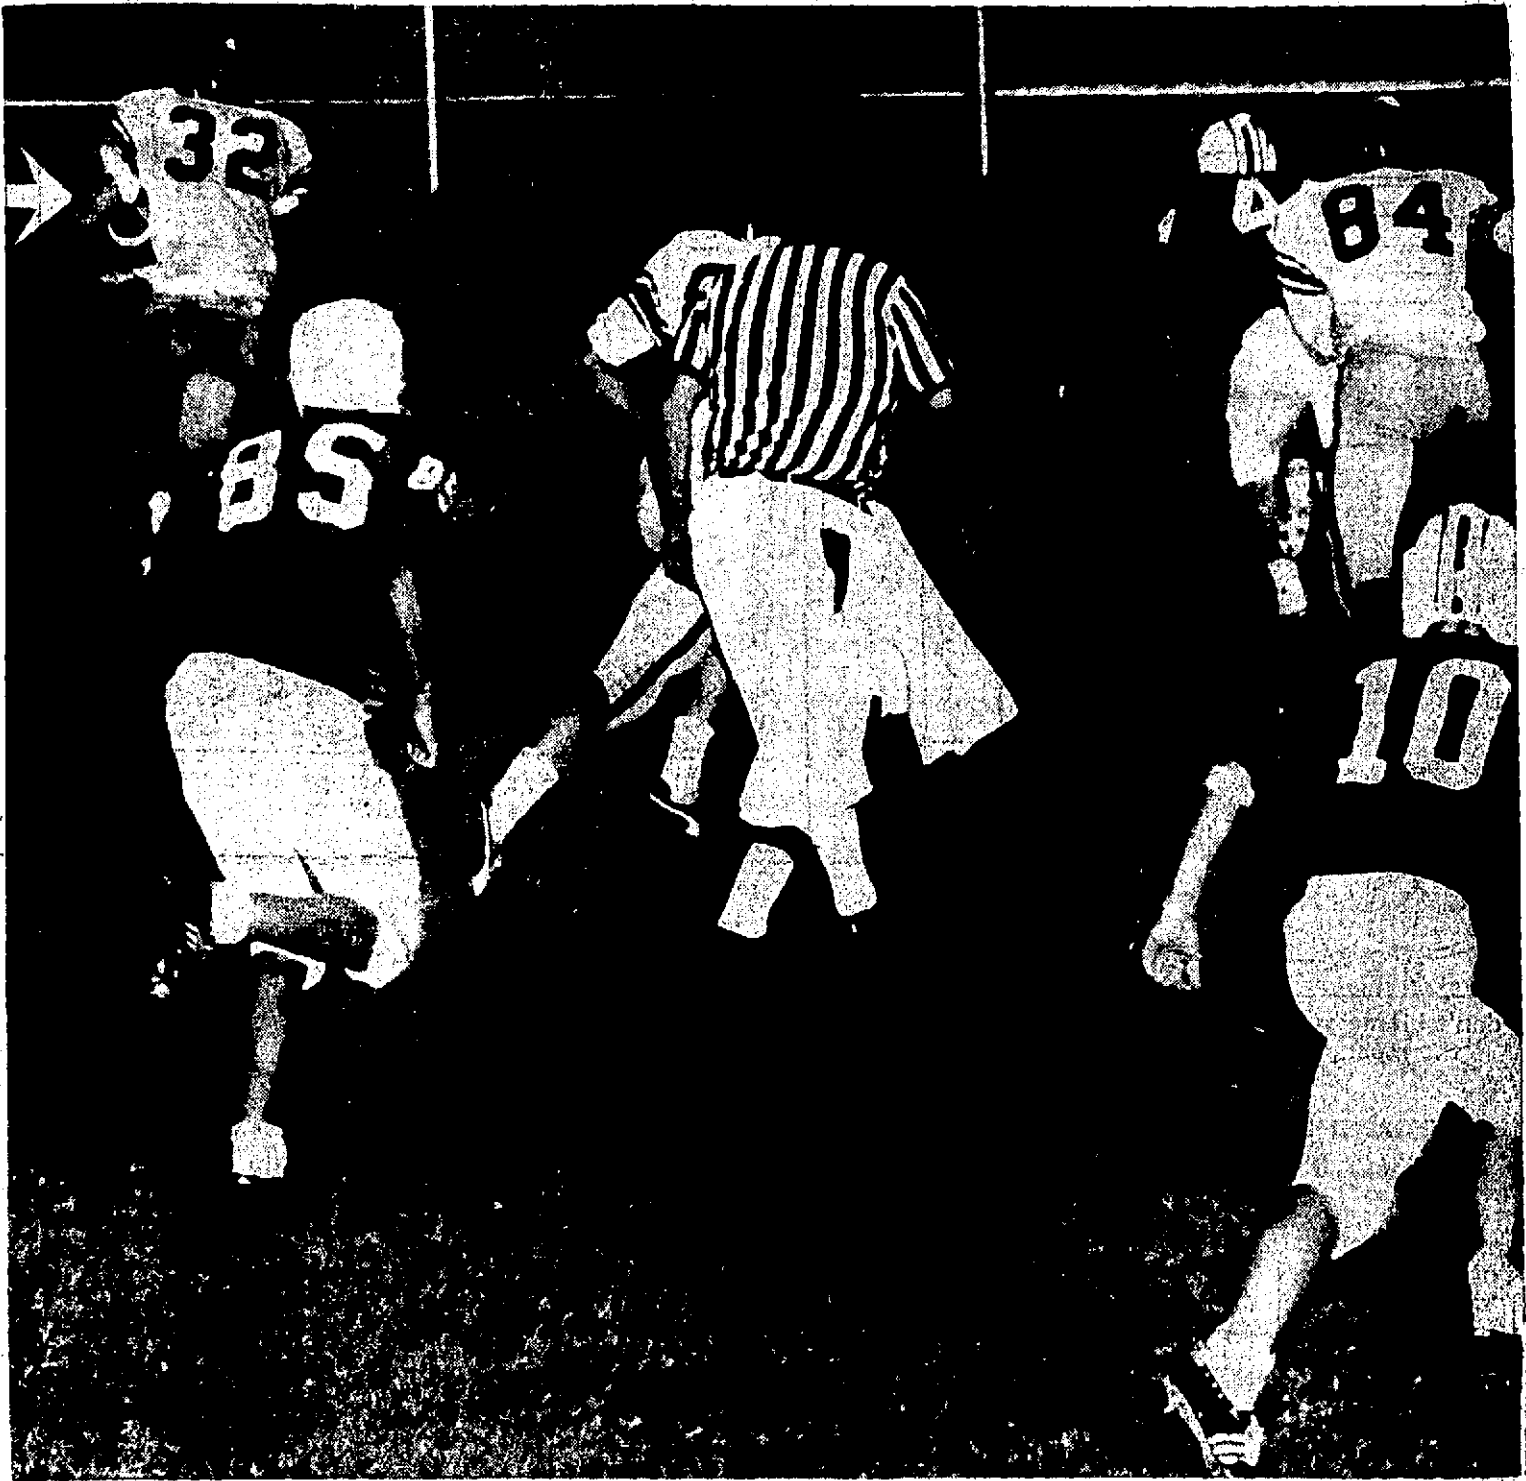

WITH 3 MINUTES LEFT IN THE FIRST HALF the ball was in Hope's possession on the Smackover 34, third down and 10 yards to go. Buddy Jordan, quarterback, passed to Left End Larry Thrash (No.

85, arrow), and Thrash raced to the goal line — Hope's third touchdown, making the half-time score: Hope 20; Smackover 0. With Thrash in the picture is Hope No. 54, Center Dick Willis.

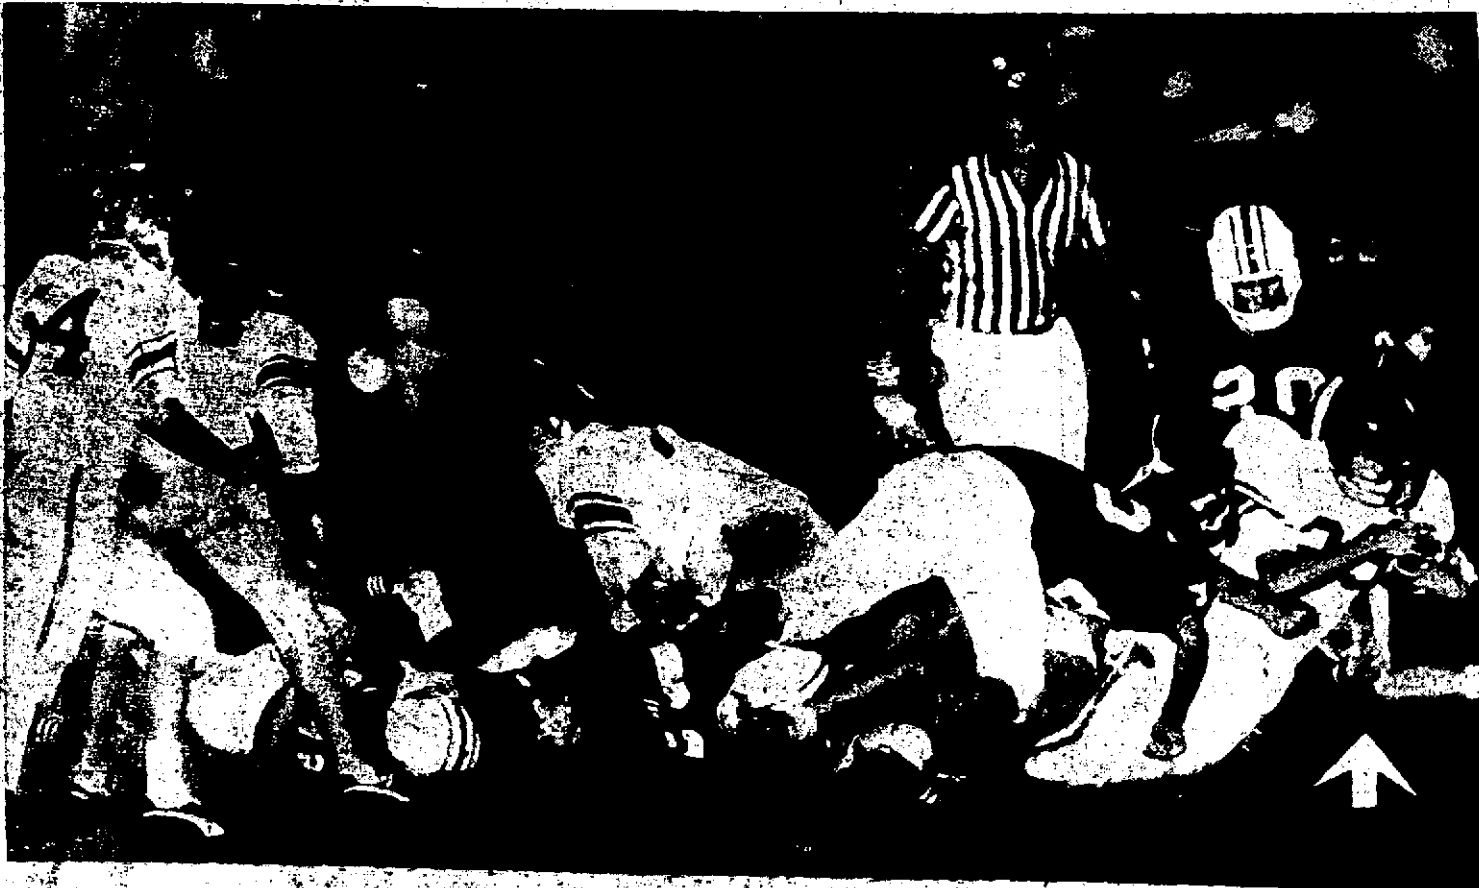

HOPE'S RIGHT HALFBACK JOHN SAMUELS (No. 24), catches a pass from Jordan in front of the west stand in the fourth quarter and goes for the

final touchdown. The kick was blocked and the score stood Hope 33; Smackover 14.

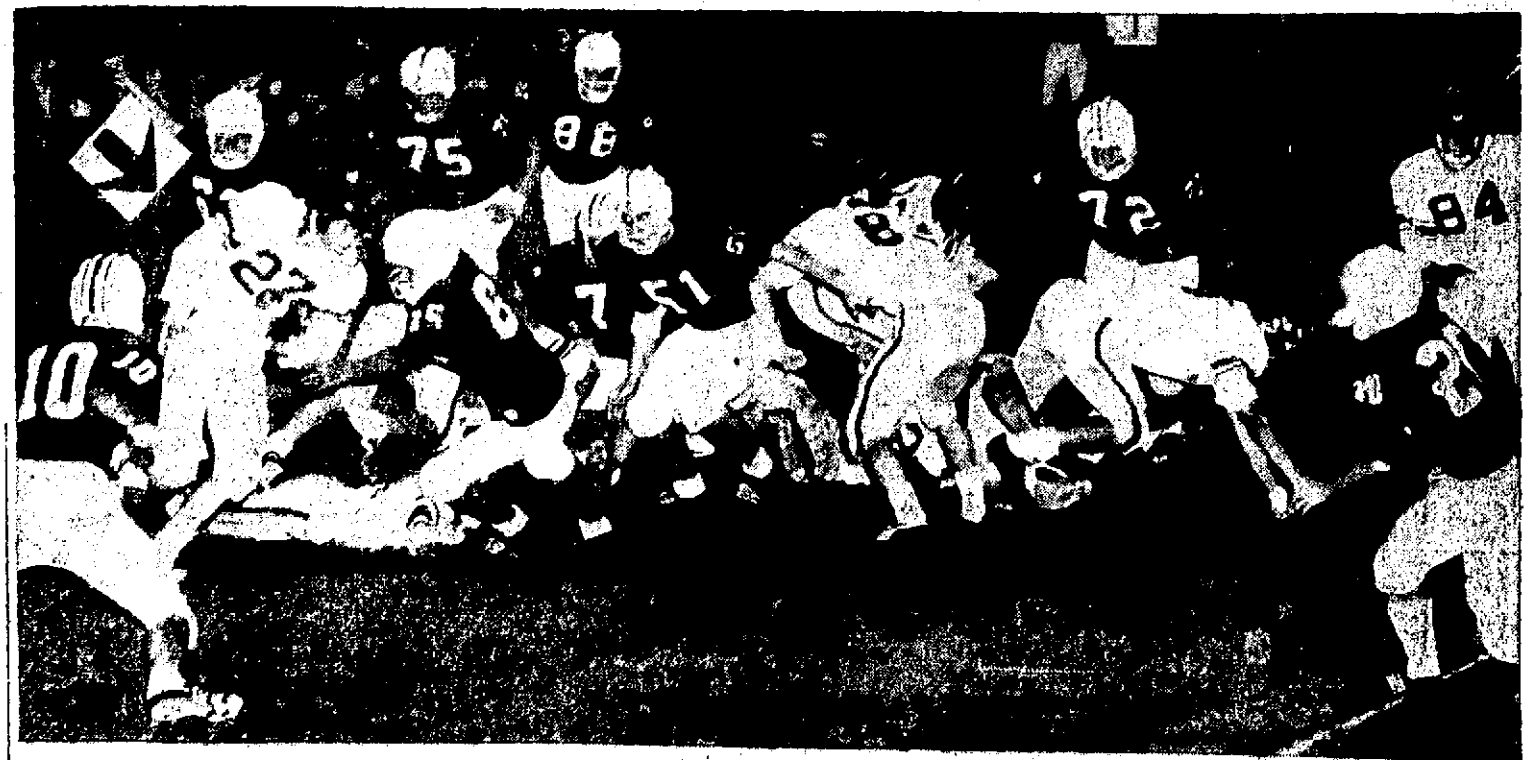

THIS FIRST-QUARTER PICTURE SHOWS HOPE Fullback Richard McDowell (No. 32, arrow) setting up the first touchdown. He took a handoff from McLarty on the Smackover 25 and went to the 2.

On the next play McDowell went over for the touchdown, making the score Hope 7; Smackover 0. Hope No. 84 in the picture is Left End George Wright, Jr.

IN THE FOURTH QUARTER HOPE RIGHT HALFBACK Virgil McNatt (No. 23, arrow), ran 8 yards to

the Smackover 23. Other Hope player identifiable in the picture is Center Dick Willis (No. 54).

IN THIS FIRST-QUARTER SCRAMBLE IN MID-FIELD Hope Left Halfback Jerry Burnett (No. 27, arrow), had the ball but an offside penalty cost Hope

5 yards. Hope players identifiable in the picture, left to right: No. 83, Right End John Hughes; and No. 84, Left End George Wright, Jr.

## Musial and Spahn Are Honored

By JIM HACKLEMAN  
Associated Press Sports Writer

The pennants belonged to the New York Yankees and the Los Angeles Dodgers. But 1963's final day belonged to Stan Musial and Warren Spahn.

Musial finished his record-studded career with the St. Louis Cardinals Sunday, the same way he started it 22 years ago, with two hits in a 3-2 victory. The Man left his 3,026th and final game in the sixth inning after helping the Cards to a 2-0 lead over Cincinnati. The Reds tied it in the ninth on Marvyn's run-scoring double.

Spahn, 42, pitched a masterful four-hitter for the Milwaukee Braves in a 2-0 triumph over the Chicago Cubs, winning his 350th game and matching his best previous season's record — 23-7. He also hit that mark in 1953.

It was a day of anticlimax for the pennant winners. The National

League champion Dodgers were beaten for the third straight time by Philadelphia, 3-1, and the American League champion Yankees were rained out their regular season finale, at New York against Minnesota.

Next on the agenda for the two champions — their eighth World Series showdown — starting Wednesday at Yankee Stadium.

In other NL action Sunday, Felipe Alou's three-run homer, in the eighth inning carried the San Francisco Giants over Pittsburgh 4-1, and Houston's frisky young Colt, led by 18-year-old John Paciorek in his first big league competition, belted New York's last-place Mets 13-4.

Elsewhere in the AL — Detroit and Cleveland both won, finishing tied for fifth, with the Tigers whipping Baltimore 7-3 and the Indians edging Kansas City 2-1 behind Jim Grant's six-hit pitching.

Washington's tail-end senators clouted the Chicago White Sox 8-2. The wind-up at Boston, between the Red Sox and Los Angeles Angels was canceled by rain.

Baltimore's loss had an unhappy aftermath for Billy Hitchcock. He was fired as manager of the Orioles after two seasons. Sam Mele

was signed on for another season as manager of the Minnesota Twins.

Musial, who broke in on Sept. 17, 1941 with two hits that helped St. Louis down Boston 3-2, bowed out with his last two singles.

Musial's two hits gave him a 1963 average of .251, well below his sparkling lifetime mark of .331.

Spahn was magnificent against the Cubs, registering his 62nd career shutout. The ageless marvel finished his 18th full season with the Braves with an amazing 22 complete games, an earned run average of 2.60 and seven shutouts.

Hard Aaron hit his 41th homer in the first for Milwaukee, tying San Francisco's Willie McCovey for the league high, and scored the game's other run in the third after a single and steal of second.
